Number

Effective Date

Expiration Date

Related to:
GO-SPT-303.01 (Traffic Enforcement)

The purpose of this circular is to inform members of a butterfly symbol that can be added to a Maryland driver's license, identification (ID) card, or moped license to indicate that an individual has a hidden disability (e.g., autism), and may have communication, mobility, or behavior challenges that are not immediately visible.

The butterfly symbol does not replace Maryland's Voluntary Developmental Disability Disclosure Card program, also known as the "Blue Card" program.
