This order establishes procedures for the issuance, wear, care, and maintenance of uniforms and equipment. These standards are provided for all sworn members and uniformed civilian members.

II. PROCEDURES

A. Appearance Standards

1. All members shall maintain a clean and neat appearance in accordance with the standards set forth in this order. Members may groom themselves according to their own personal preference, provided that such grooming conforms to the standards for, and does not interfere with or detract from, the proper wearing of uniforms or equipment, or otherwise conflict with appearance standards.

2. No on-duty member shall wear any article of clothing visible to the public containing language of a social, economic, or political nature that might be considered as an advocacy statement, or that might create controversy.

3. Hair Standards

   a. Hair shall be neat, clean, and trimmed to present a groomed appearance.
b. Hair shall be worn at a length that will permit required headgear to fit securely on the head and in conformity with this order.

c. When in uniform, members shall arrange their hair so that it does not extend below the mid-point of the shirt collar.

d. Cornrows, braids, or dreadlocks may be worn as long as they don’t interfere with the proper wearing of required headgear, conform to the above length, and are neat in appearance. Wigs or hairpieces may be worn if they conform to the standards for natural hair.

e. Hair shall be groomed so that, when the member wears headgear, the hair does not fall below the eyebrows or bunch out to the front, side, or rear of the headgear.

Extreme or fad style haircuts and styles (e.g., Mohawks, tracks, designs, sculptures cut into the hair, decorations, ducktails, ponytails, or pigtail) are prohibited unless the member is working undercover or has received approval from the Chief of Police through the member’s chain of command.
