I. BACKGROUND

A Specialized Mission Unit (SMU) is comprised of members participating in special operations that have specific objectives and goals. SMUs work in concert to support the District Commanders, and Police Service Area (PSA) Lieutenants.

II. DEFINITIONS

When used in this directive, the following terms shall have the meanings designated:

1. Specialized Mission Unit (SMU) – A MPD unit, temporary or permanent, established by the Department to achieve various law enforcement objectives in which members engage in significant patrol-related activities on a routine basis, including contacts, stops, frisks, and searches. Examples of specialized units include the Emergency Response Team (ERT), the Narcotics Strike Force Unit, the Auto Theft Unit, the Warrant Unit, and the seven (7) District Vice Units. PSA officers assigned to regular patrol duties in the PSA, and officers on Redeployment are not included.

2. Synchronized Operations Command Complex (SOCC) - The SOCC is comprised of three centers – the Joint Operations Command Center (JOCC), the Command Information Center (CIC), and the Intelligence Operations Center (IOC). These centers provide continuous communication of information to and from members in the field and coordinate law enforcement resources and responses during critical events. The SOCC is operational 24 hours a day, seven (7) days a week.
III. REGULATIONS

A. Each SMU shall be established only by authority of the Chief of Police, and shall have clearly stated objectives.

B. Each SMU Commanding Official shall develop a Standard Operating Procedure (SOP) for their SMU to be approved by the Chief of Police. The SOP shall include the additional qualification criteria specific for the SMU as well as the procedures developed by the SMU to comply with this directive.

C. Each SMU shall be staffed with a sufficient number of skilled supervisors to ensure adequate supervision of the members assigned to the SMU.

D. Each SMU shall maintain an organizational chart that clearly identifies the Command-level Official responsible for overseeing the SMU, and the management-level Official responsible for overseeing the element.

E. Members who participate in a SMU shall be pre-screened for the applicable competencies, exemplary performance, and latest training requirements.

F. SMU Commanding Officials shall be required to meet the eligibility criteria for participation in the SMU. Failure of an SMU Commanding Official to maintain their eligibility status shall result in their disqualification from the SMU.

G. Prior to conducting planned operations, SMU Commanding Officials shall ensure that a planning session is conducted with the participating SMU members, and the operational plan is approved by an SMU official the rank of Lieutenant or above.

H. Probationary members shall not be permitted to work in a SMU.

I. The SOCC shall display a map of the locations where SMUs are deployed.

IV. PROCEDURAL GUIDELINES

A. Eligibility Criteria for SMUs include, but are not limited to, the following:

1. Prior to selecting members for a SMU, the SMU Commanding Official shall:

   a. Request that the Internal Affairs Bureau (IAB) provide a complaint history summary of the applicant, to include citizen complaints, and use of force history.
b. Obtain advance notification from the Office of Human Resource Management (OHRM) regarding the skills, training, education, assignment history, and experience of each member participating in the SMU in order to appropriately tailor supervision and activities.

c. Obtain certification from the Metropolitan Police Academy (MPA) that the member has both pistol and service weapons certification, and up-to-date 40-hour In-Service Training certification.

2. Additionally, SMU Commanding Officials shall disqualify and remove from service in a SMU any member who:

a. Has used force in one (1) or more incidents that has resulted in a finding of “Not Justified, Not Within Departmental Policy” in the last twelve (12) month period.

b. Has one (1) or more sustained citizen complaints for excessive force in the last twelve (12) month period.

B. Eligibility for SMU Participation

1. Each SMU Commanding Official is responsible for reviewing and updating, in PPMS, information regarding a member’s continued eligibility to participate in a SMU.

2. SMU Commanding Officials shall ensure the following eligibility information for each SMU member is reviewed and maintained in PPMS:

3. Sergeants and other supervisory members who volunteer, or are temporarily assigned to a SMU, shall maintain their supervisory responsibility while in the unit.

4. When applicable, SMU Commanding Officials shall provide clear instructions to all SMU Sergeants, and other supervisory members, regarding appropriate supervision and coordination when more than one Sergeant or supervisor is present.
